

Virginia Vale Wait List as of July 19, 2018

Our bylaws allow for up to 375 regular memberships. The estimated wait for membership is 4-8 years. Approximately 25-35 new members are added each year on a one-to-one basis as regular members resign or move to senior status. Offers for membership are made in the order in which waitlist payment was received; there are no preferred categories or exceptions.

Offers are made via phone call with a follow up email, typically beginning in late January and wrapping up in March. It is your responsibility to keep your contact information current; please send any changes to membership@virginiavale.info.

Offers must be accepted (or deferred) within 5 days and initiation fees and annual dues must be received within 2 weeks, or the spot may be offered to the next person on the waitlist. The current initiation fee is \$3,000; and 2018 annual dues + debt service was \$790. You may defer your offer by paying \$200 towards your initiation fee; this payment is non-refundable and you may only defer once.
